

BUDGET SUMMIT

How Would You Balance Our Deficit?

The California Budget Challenge, created by Next 10, is an interactive budget simulation that gives you the opportunity to decide how to resolve the deficit and how much you would spend on schools, prisons, the environment, and other state programs- and how you would pay for them. Participants will vote on policy options that affect the budget in real-time with instant response clickers.

Wednesday, May 12, 2010

6:00pm-7:30 pm

Richmond City Hall, Council Chambers

450 Civic Center Plaza

Richmond, CA

The forum is co-sponsored by: The League of Women Voters of West County, The Bayside PTA Council, The Richmond NAACP, The California Association of Retired Americans West County Team, and the Richmond Council of Industries

Please come take The Budget Challenge! Your responses will give Assemblymember Nancy Skinner the feedback she needs to take back to Sacramento!

For more information or to RSVP, call (510) 286-1400
